Policies and Procedures

Mission Statement

“To strategically acquire properties, return them to productive use, reduce blight, increase property values, support community goals and improve the quality of life for county residents.”

Introduction

The Stark County Land Reutilization Corporation (SCLRC) Targeted Acquisition Assistance Program (TAAP) was designed in accordance with the mission of the SCLRC to strategically acquire properties and return them to productive use. The program will facilitate Stark County, its political subdivisions, and qualified non-profits applicants with the strategic acquisition of blighted, vacant, or abandoned properties that are certified tax delinquent or that have been forfeited to the State as a result of a prior foreclosure. Acquisition assistance will be made available by the SCLRC once eligibility requirements are met and a contract is signed with the applicant.

The SCLRC reserves the right, in its sole discretion, to determine whether an applicant is qualified. Acceptance of an application does not indicate qualification.
